Beliefs

“Not many of you should presume to be teachers, my brother because you know that we who teach will be judged more strictly.” James 3:1 NIV

We desire to have those presenting the Word of God be in agreement with the church's position on our essential beliefs. The following represents those beliefs. Please check the box that most accurately expresses your belief in each of the essentials listed.

- | | Strongly Agree | Mostly Agree | Not Sure | Mostly Disagree | Strongly Disagree |
|---|----------------|--------------|----------|-----------------|-------------------|
| 1 About God – God is the Creator and Ruler of the universe. He has eternally existed in three persons: the Father, the Son, and the Holy Spirit. These three are co-equal and are one God. | | | | | |
| 2 About Jesus – We believe that Jesus Christ is the Son of God and the only means of salvation available to humankind. | | | | | |
| 3 About Scriptures – We believe that the Bible is God's inspired and authoritative Word through which God reveals His plan and purpose for our lives and His promises to us for this life and the next. | | | | | |
| 4 About Salvation – We believe in the necessity of personal faith in Jesus Christ for salvation and the promise of the presence and power of the Holy Spirit to all who place their faith in Christ. | | | | | |
| 5 About Snyder – We believe God has given every Christian at least one spiritual gift and that all gifts are to be used for the common good in building up the body of Christ. Because we believe we are called to missions and ministry, 25% of our annual church income goes outside the four walls of our church to spread the gospel of Jesus Christ and to minister to the needs of others in our community and our world in His name. We believe in the importance of corporate worship, but that true worship of God is also a way of life. We believe God calls and gifts both men and women, and we affirm the role of women in ministry in and through His church. | | | | | |
| 6 About Baptism – As Baptists, we baptize by immersion and believe that baptism should follow an individual's profession of faith in Jesus Christ. | | | | | |
| 7 About Homosexuality – The Bible describes marriage between a man and a woman. The Bible makes it clear that anything other than this is a sin. This should be taught with love and patience. | | | | | |
| 8 About Sex – God designed sex to be between a husband and a wife as the joining of two to make one. Sex outside of marriage—in any capacity—is a sin. | | | | | |

I understand each of the eight statements above and have answered truthfully in my responses.
